ABOUT UNIVERSITI PUTRA MALAYSIA

Universiti Putra Malaysia (UPM) is recognised by the independent, government assessments as leading Research Universiti in Malaysia. It is located in Serdang, next to Malaysia's administrative capital city, Putrajaya. Founded in 1931 as the School of Agriculture, it was formerly known as Universiti Pertanian Malaysia or the Agricultural Universiti of Malaysia. Now, UPM offers a wide range of undergraduate, postgraduate and research programmes in most fields such as science, engineering, medicine, veterinary medicine, business and social science. It was ranked 36th in the Best Asian Universities and the 2nd best Universiti in Malaysia. As a world-renowned centre of learning and research, UPM has attracted students and staff from all around the world making it a well-respected global entity. UPM offers 59 bachelor programmes, 7 diploma programmes, and 12 Masters and Doctoral programmes. There are 16 Faculties, 8 Centres, 9 Institutes, 2 Schools, a Universiti Park and a branch campus in Bintulu, Sarawak. The Doctor of Medicine program provided by the Medical and Health Science division of the universiti was fully recognized by the Malaysia Medical Council on 5 June 2001. The Universiti today combines impressive modern facilities and a dynamic approach to teaching and research with its proud heritage of quality services and achievements. The Universiti's strong and valued relationships with the local and regional communities are the foundation upon which its global vision is based. UPM's community is a global one, as indicated by the breadth of its international links and the impact of its work internationally.

ABOUT VIVEKANANDA COLLEGE

Vivekananda College, Agasteeswaram, Kanniyakumari came into existence in July 1965 and became a Co-Educational institution in June 1973. It was established by Vivekananda Educational Society, Agasteeswaram with the sole motive of imparting Quality Education to the aspiring young minds of the rural background. This noblest dream was fulfilled by the collective effort of Shri. S.D. Pandiya Nadar and G. A. Marthandam. It was constructed as a living memorial to Swami Vivekananda, the great sage of the East. The college is affiliated to Manonmaniam Sundaranar University, Tirunelveli. The Prime objective of the college is to hold the students of different faiths together to grasp the significance of our indigenous culture and ancient heritage. The teaching of Swami Vivekananda acts as the driving force to promote the cause of national integration and peace in the universe. The college is reaccredited with B+ Grade by NAAC.

ABOUT NIRMALA COLLEGE

Nirmala College for Women, Red Fields, Coimbatore, is a Catholic Institution of Higher Education for Women, instituted in the year 1948. It is under the direction of the religious society of the Franciscan Sisters of the Presentation of Mary founded by Rev. Fr. Joseph Louis Ravel in the year 1853. The College gained Autonomous status in the year 2007 and has since emerged as a premier institution for women's education. It is affiliated to Bharathiar University. Nirmala College for Women was accredited with A + + Grade by NAAC in the 4th Cycle with CGPA 3.78. The college was conferred with Star Status by DBT, Government of India recognized by DST -FIST at level 'O'. With its motto "Knowledge Purifies, Charity Enhances," Nirmala College imparts value-based education that promotes national development by fostering global competencies and skills to meet the contemporary challenges.

The Department of English (Self Financing) was established in 2003 with the introduction of the MA English Language and Literature Program. In 2015, the Department expanded to include a BA English Literature Program under the leadership of Mrs. Anitha B. Currently headed by Dr. Manju Kumari K, the Department strives for academic excellence by inspiring a passion for Literature in the students. Offering both Undergraduate and Postgraduate programs, the Department of English SF continues to grow and nurture young minds in the field of English Literature and Language Studies. The Department of English SF (UG & PG), offers the certificate Course APTIS ESOL in collaboration with British Council to certify English Level according to the Common European Framework of Reference (CEFR). The Department of English SF (UG & PG) offers two consultancy Courses such as Content Writing and Creative Writing every year. The four clubs, Writers, Drama, Elocution and Readers, functioning under the Literary and Debating Association of the Department of English SF (UG & PG), enables the publication of the magazines Wings and Will Your Wit and the Public Show of the Drama Club every consecutive year.

ABOUT ST. ANTONY'S COLLEGE

St. Antony's College of Arts and Sciences for Women, Dindigul, is a minority, self-financing institution established in 2007 by the Congregation of the Sisters of the Immaculate Conception (C.I.C) with the blessings, guidance and moral support of the Most Rev. Dr. Antony Pappusamy, the Bishop of Dindigul.

This premier institution of higher education is located on 20-acre campus with beautiful gardens, well-furnished and aesthetically designed buildings, and sports grounds at Thamarapadi, 10km North of Dindigul on Trichy-Dindigul Highways (Nh45), far from the deadening noises and disturbances of the town, a necessary condition to academic pursuits. The Congregation has a vast experience in the field of secondary, higher and teacher training education in addition to other types of social work. Its motto is Empowering women through higher education. The college now offers 12 UG and 8 PG courses. With the spirit of good will, it imparts quality higher education with creative, critical, and communication skills in addition to domain knowledge to women students, especially the poor, the needy and the underprivileged for their holistic development in response to the greatest commandment of love of our Lord Jesus Christ and for contribution to building a developed India. It provides opportunities for honing their employability skills through curricular and co-curricular training. It also motivates students to be responsible citizens and to be accountable for their time invested and competence acquired. In this context, it has signed functional MoUs with various universities, colleges and with other reputed industries/agencies.

ABOUT GANDHIGRAM RURAL INSTITUTE (Deemed to be University)

Gandhigram Rural Institute (GRI), founded by two dedicated disciples and contemporaries of Mahatma Gandhi, Dr.G.Ramachandran and Dr.T.S.Soundaram Ramachandran, has as its foundation Mahatma Gandhi's revolutionary philosophy of Nai Talim, which effectively bridges the cognitive and practical dimensions, and focuses on the holistic development of learners, with an emphasis on skill development through value-based education, rooted in indigenous cultures and traditions. Since its establishment in 1956, GRI has been unstintingly contributing to higher education and has successfully pioneered rural higher education. Along with Gandhiji's Nai Talim, the ideals envisioned by Dr. Radhakrishnan Education Commission (1948-49), and in National Council for Rural Higher Education headed by Dr. K. Shrimali, the then Deputy Minister, Ministry of Education, and three other proven world models listed below contributed to the establishment of GRI in 1956, namely 1. Folks Hoschkole system of Denmark by N.F. S. Gruntvig (1844), 2. Land-grant University system of USA (1862); and 3. Sriniketan Experiment of Shantiniketan by Tagore (1922). The Institute which is administered by the Ministry of Education, Government of India and fully funded through UGC, New Delhi has developed academic programs in rural development, rural economics and extension education, rural oriented sciences, co-operation, development administration, rural sociology, English, Tamil and Indian languages. The institute runs B.Tech. in civil engineering with focus on habitat development and M.Tech. in renewable energy. The institute also offers B.Sc Agriculture program. Gandhigram Rural Institute is quite active on both campus and rural areas in the vicinity, benefitting and enriching one another. Besides, its contribution to teaching, from diploma, degree and all the way to post-doctorate levels, the Institute applies the learnings from both scientific and social research to solve contemporary rural problems. The curriculum is a combination of theoretical, practical and extension experiments. The Institute has become home to many pioneering models of rural development programmes. The students and scholars who emerge from its portals tend to meet the personnel needs of rural development programmes under various governmental and non-governmental organizations. The three dimensional approach of education namely teaching, research and extension has become a highly celebrated model, earning global and nationwide appreciation. Started in a small way the Institute has evolved into a reasonably large and expansive educational complex comprising of 8 schools, 12 departments and 16 Centres offering a whopping 129 academic programs, ranging from certificate courses, to Graduate programmes to Doctoral and post-Doctoral Programmes. At present the Institute has 3837 students, including Ph.D. Scholars, and 178 teaching and 243 non-teaching staff. The curricular model developed at GRI organically integrating teaching, research and extension has earned the Institute, the status of Deemed University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC and 'A' Grade in its third cycle of reaccreditation in the year 2016. Thus the Institute has been taking efforts to design its academic programs in tune with the demands of the society and industry by providing a learner-centric, transparent teaching and evaluation methods. Through the action-oriented research and scientific research, the Institute contributes substantially to the research domains and concentrates on solving the rural issues at micro levels. The participatory and decentralized governance of Gandhigram Rural Institute strives for achieving global standard of excellence in all the dimensions of education without compromising on its rural character and Gandhian values.

An aerial photograph of a tropical coastline. The water is a vibrant turquoise color, transitioning to a deeper blue further out. Several boats are visible: a white boat in the upper left, a white boat in the middle right, and two smaller boats (one orange and one blue) in the lower right. The coastline on the left is covered in lush green and yellow vegetation.
